“Find Your Career in Europe 2024” is dedicated to the 30th anniversary of the EURES network, which is responsible for the free movement of workers within the European Union. The event will feature official representatives from the employment offices of the Czech Republic, Estonia, Germany, Greece, Italy, Malta, Poland, Slovakia, Sweden, and the Netherlands. These representatives will offer opportunities to professionals and young people looking to start or advance their careers abroad. Visitors will have the opportunity to learn about job openings and mobility programs and participate in networking sessions with company representatives and employers from the EU.
